

## DECLARATION, CONFLICT MINERALS

Dato: 29.01.2024 <sup>1)</sup>

Vink Plast ApS. distributes and produces in semi-finished plastics. Most of our products are produced in EU.

To the best of our knowledge, we herewith declare that products derived from minerals and metals, falling within the scope of Regulation (EU) 2017/821 laying down supply due diligence obligations for Union importers of tin, tantalum and tungsten, their ores, and gold origination from conflict-affected and high-risk areas as amended up to and inclusive of the Commission Delegated Regulation EU 2020/1588 and Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Act of 2010, are neither intentionally introduced <sup>2)</sup> during production of raw-materials nor during the manufacture of semi-finished plastics.

Morten Grue Jakobsen  
Business Unit Director

Jan Busk  
QHSE- & CSR-Manager

<sup>1)</sup> This statement expires in case of regulatory or compositional changes. New statements are published on our website in case of alterations. Previous statements then automatically become void. Please always consult our website for the latest version.

<sup>2)</sup> "Intentionally introduced" means "deliberately utilized in the formulation of a material to facilitate manufacture or to provide a specific characteristic, appearance or quality."
